New contract offering – Health Alliance Plan

Greetings all ACO members, staff and families:

I am pleased to announce that the Beaumont ACO, working on behalf of our members, was able to secure a new HAP contract effective May 1, 2019. This new contract will offer providers the opportunity to access market best fee-for-service rates on HAP's commercial HMO and PPO lines of business. This represents a **15% increase** on HMO business and a **30% increase** on PPO business. The contract also offers providers access to a pay-for-value program that rewards physicians based on performance in quality and utilization metrics.

You should have received a communication from the ACO earlier this month with instructions on how to access this contract and the market best fee schedule rates attached to it. If you have additional questions or would like to speak with an ACO representative on how to access this contract, please contact our Provider Relations team at 947-522-0037 or acoproviderrelations@beaumont.org.

Once again, it is the Beaumont ACO's mission to represent the best interest for our physicians and hospitals working together to improve the care of our population with quality, efficiency and patient satisfaction.

Sincerely,

Dr. Belal Abdallah

Chief Executive Officer

Chair, Beaumont ACO Board
