

## 2020 SCP VBR nominations

From April 26 to June 26, BCBSM requests that physician organizations nominate their specialist for the upcoming 2020 SCP VBR cycle. In order for Beaumont ACO to nominate our participating PGIP specialist, specialists must meet the “Specialist VBR Criteria” and sign a PCP-SCP Agreement every year. Documents have been emailed and mailed out to every participating PGIP specialist within Beaumont ACO. All agreements must be signed and returned by **the extended deadline of Friday, May 24** to the ACO at [Summer.Alyaishi@Beaumont.org](mailto:Summer.Alyaishi@Beaumont.org) or via fax at 947-522-0038.

Please note: incentive-based reimbursement is tied to completing this process. If you have any questions or have not received your documents, please contact the Beaumont ACO.
