

Annual meeting recap and election results

The Beaumont ACO concluded its 2020 annual meeting of the members last month at the Detroit Athletic Club. We are pleased to announce that 128 members attended the event and participated in our annual election process. The Beaumont ACO had its best year yet in terms of member growth, increase in covered lives and incentive dollars earned and shared with our members. The ACO continues to be driven by three strategic priorities: physician engagement, maximizing pay-for-performance and incentive opportunities as well as information technology. Additionally, the ACO remains committed to the pursuit of clinical integration and the structure of a physician/health system partnership to achieve our objectives.

The election results are as follows:

This year the Beaumont ACO had five seats up for election, three PCP and two specialist seats. We would like to congratulate the following physician members who have been elected to a three-year term on the Beaumont ACO Board of Managers:

- Dr. Abraham Slaim, Family Medicine
- Dr. Carol Baker, Family Medicine
- Dr. Belal Abdallah, Internal Medicine
- Dr. M. Raslan, Pulmonology
- Dr. Rajesh Gulati, Cardiology

Additionally, the ACO Board has approved expanding the Board this year to include representation from all eight Beaumont acute care campuses. This means we will be adding four new primary care seats from Beaumont, Farmington Hills, Grosse Pointe, Royal Oak and Troy. Congratulations to the following physicians who will be serving in those roles:

- Dr. Kevin Frankel, Family Medicine, Farmington Hills
- Dr. Alok Shukla, Internal Medicine, Grosse Pointe
- Dr. Michael Barnes, Internal Medicine, Royal Oak
- Dr. Stephen Williams, Internal Medicine, Troy

Dr. Belal Abdallah
CEO & Board Chairman
