

## CHAIRMAN'S UPDATE

Dear Colleagues,

Happy New Year to all of the Oakwood ACO members, board members, and staff. 2015 was another successful and profitable year for the ACO and we are looking forward to continued success in 2016. Our Annual Members' meeting is scheduled for January 28, 2016 and everyone should have received an invitation. Please look for details in this newsletter.

Our annual elections also take place at this important meeting and **you must be present to cast your ballot.**

As we move into 2016, we are currently working with our Beaumont Health partners to continue striving toward quality care for our population and making our patients completely satisfied and happy with our care as well as utilizing our resources efficiently. A lot has changed for the better since 2010 (the year of the Oakwood ACO creation) and we look forward to additional enhancements into the future.

I hope by now every member of our ACO can see that we have remained true to our guiding principles of being physician led, transparent, and trustworthy. Please contact me or anyone on the ACO board or staff for any questions or comments.

Belal Abdallah, MD, MBA  
Chairman, Oakwood ACO board
