

CHAMPS

In accordance to MDHHS Bulletin (MSA 17-48), any individual and entity that provides services, or order and prescribes services, for individuals with Michigan Medicaid coverage must enroll in the Community Health Automated Medicaid Processing System (CHAMPS).

Enrollment in CHAMPS is solely used for the purpose of screening providers participating Medicaid and does not enroll providers in Fee-For-Service Medicaid.

Medicaid rules prohibit payment to providers not appropriately screened and enrolled. Beginning March 1, 2018, MDHHS will prohibit Molina from making payments to all providers **not** enrolled in CHAMPS.
