REQUEST FOR NOMINATIONS FOR THE BEAUMONT ACO BOARD OF MANAGERS

Another year has passed and it is time for The Beaumont ACO to hold its annual election for physician Board Managers.

You may recall that the Operating Agreement calls for a turnover of approximately one third of the physician Board Managers each year. **This year we will elect three Primary Care Physicians (PCPs) and one Specialists (SCP).** Each of the physicians elected will remain in their seat for three years and will not run for election in until their term expires at the end of 2021. This year nominated PCPs can be from any to Beaumont Health Medical Staff as long is the physician is a member of the Beaumont ACO.

This year, seats up for election include one (3) primary care seats and one (1) specialty care seats. Please note **Participation in the Medicare Shared Savings Program will be a consideration for nomination.**

An attempt will be made to have at least two candidates run for each open seat. Each physician member of the ACO has the privilege of submitting recommendations for Board of Managers candidates for the Nominating Committee to consider. Primary Care Physicians (PCP) may nominate PCPs and Specialty Care Physicians (SPC) may nominate SPCs. The Nominating Committee will review candidates against Board member criteria which includes a commitment to participation in ACO contracts. The Nominating Committee will then recommend a slate of candidates to the Board for approval.

In the election, primary care physicians may vote for primary care candidates and specialists may vote for specialist candidates. If you are interested in recommending a candidate to the Nominating Committee, please complete (print) the following information:
