

## *Did you know...*

The Beaumont ACO now requires each practice to provide us with a practice email address and the name of a contact person for that address. You can provide that to us via email at [acoproviderrelations@beaumont.org](mailto:acoproviderrelations@beaumont.org).

Specialist who currently participate in the Beaumont ACO's MSSP who have not yet signed their MSSP Specialist Agreement must do so by Monday, April 15. Beaumont ACO Provider Relations will be reaching out to your office if you have not yet completed this important process. ACO Provide Relations can provide you with a fresh document if needed.

The Beaumont ACO continues to grow both in new provider membership and provider third-party plan/program participation. Please contact Provider Relations at [acoproviderrelations@beaumont.org](mailto:acoproviderrelations@beaumont.org) or visit our website at [beaumont-aco.org](http://beaumont-aco.org) if you think we may be able to assist you.
